ORDER

On July 29, 2015, the Commission issued an Order directing the Harrison County Sanitation District ("Harrison Sanitation District") to satisfy or answer the complaint of Donald R. Fuller ("Complainant") within ten days. The Order was mailed to the Harrison Sanitation District on that date.

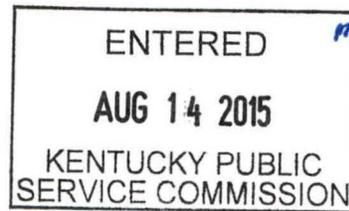

On August 11, 2015, the Harrison Sanitation District, by counsel, tendered a motion for a ten-day extension of time within which to file its answer. In support, Harrison Sanitation District's counsel represents that he was unaware of the complaint until August 5, 2015. Additionally, the district's next board meeting was scheduled to be held on August 13, 2015, and the instant complaint was scheduled for the agenda at said meeting.

The Commission finds that Harrison Sanitation District has demonstrated good cause for an extension of time within which to file its answer so as to permit the district to discuss the complaint at its next regularly scheduled meeting.

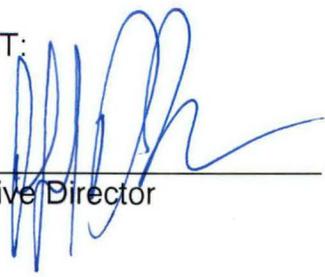

IT IS THEREFORE ORDERED that:

1. The motion of the Harrison Sanitation District for a ten-day extension of time to satisfy or answer the complaint is granted.
2. Harrison Sanitation District shall satisfy or answer the complaint by August 20, 2015.

By the Commission
